### **BOOKIES TOUR EUROPE:**

PUBLIC PAYS FREIGHT. And Still the "Dopenter" Will Tell You That the Racing Game In Beatable-Turf News.

That the past season on Eastern tracks was profitable to several Western book-makers is partly proved by advices received here from J. M. Murphy, a prominent St. Louis layer who operated on the solltan tracks last season. Murphy is at present "coing." Ireland and has aiready visited France. England and Germany. He is accompanied by Charley Fox, a well-known figure on Eastern tracks, and by John Howard, who was attached to the stable of S. C. Hildreth for several seasons prior to blossoming forth as a bookmaker.

"John J. McCloskey dictated his own contract when he signed with the Mesers. Bobison for 196," said a baseball fan yesterday. "McCloskey drew up a contract that gives him complete control of the team on and off the field. He is to have the power to sign and release whom he pleases, and the owners of the St. Louis National League have verbally agreed to furnish him with a liberal supply of cash, with which to purchase new material. McCloskey is hardly expected to develop a championship team in St. Louis his first season here. The owners of the club and the public will be satisfied if he lands the Cardinals in the first division. McCloskey has accomplished wonders in the minor leagues. Charley Ellison, the Western plunger, who admits to having experienced his most successful turf season in the past summer, is anxious to find a home for udge Himes, the big son of imp. Esherand Lullaby. The old rogue, as he is known about the Ellison stable, will celebrate his sixth birthday on New Year's Day. He has won more than \$5.500 for Ellison and although having been preceded by Harry New, who won the Latonia Derby for Ellison in 190, Judge Himes was the first to carry the Ellison silks to victory in a stake which Ellison most desired to land. Ellison's idea is to retire Judge Himes to the farm of rest, where he may spend his remaining time on earth in comfortable luxury. No amount of money, declared Ellison recently on a visit to his stable, would induce him to part with Judge Himes.

man here, and Tebeau is always looking after the nickels and dimes, as for as Kansas City is concerned.—Kansas City Star.

On Ianuary 9 in Chicago the skids will be placed under George Tebeau, and he will slide to the bottom of the baseball ladder. That is, if the plans of "Doc" Shively and othe magnates go through as per schedule at the National Association of Minor Leagues meeting. The official slate was arranged in New York at a special meeting December II, and the names of Tebeau and Griffiths are missing, and instead will be round. "Doc" Shively and Joseph O Brien. Tebeau is chairman of the Board of Arbitration of the National Association of Minor Leagues and Griffiths is a member.

According to Shively, the slate which will go through with a rash is as follows Pat Powers, president, J. H. Farrell, secretary and ex-officio chairman, member of the Board of Arbitration, Judge Kavanaugh, Joseph O Brien. Engent Bett, Tim Murnane and D. M. Shively.

Several days ago it was reported that the Essex Park track, at Het Springs, would open for a race meeting on January 29, but this has been denied by one of the officials of the track He said that it might have been based on the fact that the Essex Park people have opened negotiations with the owners of the Oaklawn track lessing to an agreement on dates. Becognizing that a race war at that place would mean the end of racing in Hot Springs, the proposition is to alternate with Oaklawn every two weeks on and after February II. Oaklawn to have the preference of the first two weeks. Long Shot at City Park.

New Orleans, Jan. 1.—There were seven races on the card at City Park to-day, and Balshed, who won the first 2-year-old race of the year, was the only winning favorite. The winning long shots of the day were Bensenhurst, at 12 to 1, and Annie Davis, at 18 to 1.

The New Year's Handicap, at a raile and a half, was won by Harry Steppend, who went to the pest at 9 to 2, heating Attilla, the favorite, by a head.

There were four falls in the steeplechase, and Slark who fell with Sweet Jane, was seriously injured. His face was badly bruised and he is suffering from concussion of the brain. His condition is critical Summaries:

First race, mile and three sixteents, sciling—

There is some talk of raising the scale of weights at Chy Park at New Orleans. At the present time there are reveral good tilers who have few chances to get into the saddle, because they are over the weights that prevail in most of the self-ing and condition races, and an effort is being made to so arrange matters that all the races will not give chances only to apprentices. E. Morrison, Frank Landry, W. Hicks, J. Daly, D. A two nights' athletic carnival will be given by the Missouri Athletic Club in Kansas City January 22 and 22. Wrestling and boxing will be the features of the show, and some of the best professional wrestlers and the leading local boxers will be the principals. The first night Farmer Burns, who recently defeated Albert Carlson here, will meet Charles Hackenschmidt. The winner of this bout will be matched on the second night with either Frank Gotch, the champlon of America, or with Fred Beels. Burns and Hackenschmidt have already met twice before, and each one has a bout, so the meeting here for the third time should be an interesting affair. The boxing matches will have the added interest of decliding the representatives of Kansas City in the tricity tournament which the Missouri Athletic Club proposes to give the latter part of February. At this time the winners of the amateur bouts in both St. Louis and Chicago will be matched against the best boxers of Kansas City.

Mike Schreck is in San Francisco, in tow of Johnny Reid, Schreck wants to meet Al Kaufman. Billy Roche, the match-maker for the Colma Club, announces that he is willing to make this match.

The one thing needed is the consent of Rilly Delaney, who is guiding the destinies of Kaufman.

Schreck has a indoned the idea of reducing to the middle-weight limit. I can account for my not getting the best of it with the elder of the wins when I tell you that I took off twenty-seven pounds in one week and ten in the last twenty-four hours. I spent the last few-hours in a steam bath, so I was not myself. I would like to get a return match with O'Brien, but suppose that that is an impossibility now. I gave him the hardest fight of his career in St. Louis. The bout went for fifteen rounds and he received a hairbreadth decision. In the second round I had him nearly out, and many thought that a draw would have been fair all round."

many thought that a draw would have been fair all round."

In all probability Joe Gans will be the favorite over Mike "Twin" Sullivan when the two meet this month in Frisco, under the auspices of the Hayes Valley Athletic Club.

Gans has already started in to work, and, like Fitzsimmons, has demonstrated to the full satisfaction of those who have visited him at his training quarters that he is far from a "has-been." The newspaper reports of the last encounter hetween the two men give Sullivan the best of the encounter, but the chocolate drop from Baltimore explains this by saying that he was not in condition at that time, and was also in had mental frame of mind, because of demestic trouble.

The men are to fight at 1C pounds at a o'clock in the afternoon.

Mercanefic Cinhonn Has an Excellent Chance to Win the State

Pool Championship.

W. J. Scott and Maurice Balabeiser are
running a close race for first place in the
State championship pool tournament al
the Broadway. Balzbeiser, who is the
manager of the billiard and pool department of the Mercantile Club, was severely
burned about the hands two weeks ago in
a fire, and will not resume playing in the
the tournament until next Friday. Scott
and Balzbeiser have won all their games
so far. Scott beat Klumpp, Green and
Hagel, while Balzbeiser won from Hagel
and Green.

Some fast pool is expected when Scott
and Balzbeiser clash. One of the most interesting games of the tournament took
place Sunday night, when Lester Gilmore,
the Kansas City Champion, beat George
Abeln, of South St. Louis, by a score of
190 to St. Abelin's friends lost considerable
money on him in this game.

Frank Dumont, manager of the billiard
and pool department of the Missouri Athletic Club, defeated Cilmore in the ournament. After beating Gilmore, Damont's
friends figured on him winning the tournament, but he failed to keep up his good
work, losing his last two games, and is
now practically out of the running.
Claude White will meet Alex Nagel tonight. The standing of the players:
